

Amended Excerpts

House Amendments

February 23, 2026 01:19 PM

1. Line 32 through 38:

32 workforce availability, economic stability, and the ability of families to remain in the
 33 communities where they live and work;
 34 WHEREAS, the state contains many federally managed lands, some of which are classified
 35 as unreserved land, located within or immediately adjacent to existing municipal ~~that~~ [{ ~~or~~
county }] ~~that~~
 36 boundaries, including near established infrastructure such as roads, water, sewer, and power
 37 systems;
 38 WHEREAS, certain unreserved lands that lack a designated federal purpose may be

2. Line 50 through 57:

50 government for the purpose of facilitating moderate-income housing.
 51 BE IT FURTHER RESOLVED that the Legislature and the Governor urge that
 52 consideration be limited to unreserved lands located within or immediately adjacent to existing
 53 municipal ~~that~~ [{ ~~or county~~ }] ~~that~~ boundaries ~~that~~ or population centers within county
boundaries ~~that~~ ,
 53a ~~that~~ [{ or in close proximity to existing infrastructure, }] ~~that~~ where
 54 development ~~that~~ of moderate income housing ~~that~~ can occur in a focused and efficient manner.
 55 BE IT FURTHER RESOLVED that the Legislature and the Governor encourage the United
 56 States Congress to allow flexibility in the form of land exchanges or transfers, where
 57 appropriate, to facilitate moderate-income housing while maintaining responsible stewardship
