

Amended Excerpts

1. Line 130 through 136:

- 130 lands described in Subsection (4)(a) as a wildlife management area.
- 131 (c) The division shall manage the state-owned lands described in Subsection (4)(a) as a
- 132 wildlife management area and consistent with:
- 133 (i) the beneficial purposes identified in Subsection (4)(d); $\hat{S} \rightarrow [\{ \text{and} \}]$
- 133a (ii) multiple-use sustained yield principles as described in Section 65A-2-1; and
- 134 $[\{ \text{(ii)} \}] \text{(iii)} \leftarrow \hat{S}$ a management plan created consistent with the procedures in this
- 134a chapter for a
- 135 management plan.
- 136 (d) The division shall manage the Goshen Bay Waterfowl Management Area for the
