

1. Line 151 through 156:

151        (b) "Non-consent police generated tow" does not include the towing of a vehicle, vessel,  
 152        or outboard motor made at the request of a private individual where a peace officer  
 153        assists the tow request.

154        (2) (a) Except as described in Subsections (2)(b) ~~and~~ (c), **and (d),**  
 154a       a tow truck motor carrier that  
 155        conducts a non-consent police generated tow may not tow the vehicle, vessel, or  
 156        outboard motor to an impound yard outside the county where the tow is initiated.

2. Line 167 through 169i:

167        (ii) a peace officer, a person acting on behalf of a law enforcement agency, or a  
 168        highway authority informs the owner of the vehicle, vessel, or outboard motor of  
 169        the location of the impound yard.

169a       ~~and~~ (d)

169b       (e)

169c       (f) A tow truck motor carrier conducting a non-consent police generated tow may  
 169d       tow a vehicle, vessel, or outboard motor to an impound yard outside the county  
 169e       where the tow was initiated if:

169f       (i) an impound yard within the county where the tow is initiated is unavailable; or

169g       (ii) a tow truck motor carrier with an impound yard within the county where the  
 169h       tow initiated cannot respond in a reasonable time due to weather, road conditions,  
 169i       or a volume of requested tows. ←
