

1. Line 35 through 42:

- 35 →amends the definition of "state transportation purposes";
- 36 →amends provisions related to the ability to charge towing dispatch service fees and pass
- 37 through a reasonable towing dispatch service fee;
- 38 → ~~amends towing provisions related to release of a vehicle to the owner and~~
- 38a ~~information~~
- 39 ~~entered into the database of a towing dispatch vendor;~~ ←~~amends towing provisions related to release of a vehicle to the owner and~~
- 40 →repeals the study required by the Department of Transportation and Salt Lake City
- 41 regarding highway reduction strategies;
- 42 →codifies certain requirements based on the findings and results of the study on highway

2. Line 397 through 402:

- 397 (ii) a school bus that temporarily impedes a parking or bike lane while operating
- 398 along the school bus's planned route and schedule; or
- 399 (iii) a public transit vehicle, as defined in Section 17B-2a-802, that temporarily
- 400 impedes a parking or bike lane while ~~amends towing provisions related to release of a vehicle to the owner and~~
- 400a passengers, or making a timepoint adjustment, ←~~amends towing provisions related to release of a vehicle to the owner and~~
- 400b vehicle's
- 401 planned route and schedule.
- 402 (2) (a) On a roadway divided into three or more lanes and providing for two-way

3. Line 434 through 440:

- 434 (A) an authorized emergency vehicle;
- 435 (B) a snow removal vehicle;
- 436 (C) a vehicle providing municipal-type services, as defined in Section 19-3-303;
- 437 (D) a school bus or transit vehicle, as defined in Section 17B-2a-802, ~~amends towing provisions related to release of a vehicle to the owner and~~
- 438 unload passengers], or make a timepoint adjustment, ←~~amends towing provisions related to release of a vehicle to the owner and~~
- 438a bus's or transit vehicle's planned route and
- 439 schedule; or
- 440 (E) a vehicle used by a postal service, as defined in Section 76-6-1001.

4. Line 724 through 748:

(4) A product or technology provided by a towing dispatch vendor may not require a tow truck operator to manipulate a wireless communication device in a manner that violates Section 41-6a-1716.

~~Ĥ → [{ (5) (a) A towing entity may require a tow truck motor carrier or tow truck operator~~

~~to- }] ← Ĥ~~

~~Ĥ → [{ enter the following into a database controlled by the towing dispatch vendor: }]~~

~~[{ (i) information about the vehicle, vessel, or outboard motor that is the subject of the }]~~
~~← Ĥ~~

~~Ĥ → [{ tow; and }]~~

~~[{ (ii) other information about the circumstances and timing of the towing operation: }]~~

~~[{ (b) A towing entity may not require a tow truck motor carrier or tow truck operator to~~
~~}] ← Ĥ~~

~~Ĥ → [{ enter personally identifiable information about the owner into a database controlled- }]~~
~~← Ĥ~~

~~Ĥ → [{ by the towing dispatch vendor: }]~~

~~[{ (c) If a towing dispatch vendor that receives from a towing entity, tow truck motor- }]~~
~~← Ĥ~~

~~Ĥ → [{ carrier, or tow truck operator any personally identifiable information or other- }] ← Ĥ~~

~~Ĥ → [{ information about the owner of a vehicle that is the subject of the towing dispatch- }]~~
~~← Ĥ~~

~~Ĥ → [{ service, the towing dispatch vendor: }]~~

~~[{ (i) may not: }]~~

~~[{ (A) share the information with a third party; }]~~

~~[{ (B) sell the information to a third party; }]~~

~~[{ (C) use the information for any purpose other than dispatching for the tow or- }] ← Ĥ~~

~~Ĥ → [{ removal; or }]~~

~~[{ (D) retain the information longer than the administrative need; and }]~~

~~[{ (ii) shall delete any personally identifiable information: }]~~

~~(5) A towing entity or towing dispatch vendor may not require a tow truck motor carrier~~
~~or tow truck operator to provide or enter information into a database other than a~~
~~database described in Section 41-6a-1406. ← Ĥ~~

(3)(6) A vendor selected to provide towing dispatch management services as described in this section may not also provide towing, storage, impounding, or other services related to the operation of a towing provider.

5. Line 2567 through 2572:

2567 (xiii) \$500,000 to Murray;
2568 (xiv) \$400,000 to Cottonwood Heights; and
2569 (xv) \$300,000 to Holladay;
2570 (k) for the 2024-25, 2025-26, ~~and~~ 2026-27 , and 2027-28 fiscal years,
2570a and subject to revenue balances
2571 after the distributions under Subsection (4)(j), to reimburse the following
2572 municipalities for the amounts and projects indicated, as each project progresses and

6. Line 3413 through 3422:

3413 department to provide funds in the following order of priority:
3414 (i) a \$20,000,000 loan to Draper for the renovation of existing water pipelines and the
3415 expansion of drinking water infrastructure;
3416 ~~and~~ [(ii) a \$5,000,000 loan to Herriman for the mitigation and replacement of
3416a impacted
3417 soils;]
3418 [[(ii) a \$30,000,000 grant to Bluffdale for the construction of multiple lane] ~~and~~
3419 grade-separated rail crossing at 1000 West and 14600 South;] ~~and~~
3420 (iii) a \$9,000,000 grant to the County of the First Class Highway Projects Fund
3421 created in Section 72-2-121;
3422 (iv) a \$4,000,000 grant to Metropolitan Water District of Salt Lake and Sandy for the

7. Line 3426 through 3438:

3426 (vi) a \$2,000,000 grant to West Jordan for improvements to 6700 West between 9000
3427 South and New Bingham Highway;
3428 (vii) a \$2,500,000 grant to Riverton for improvements to 2700 West between 13400
3429 South and Bangerter Highway; ~~and~~
3430 [[(viii) a \$2,750,000 grant to Midvale for improvements to Center Street between State]
~~and~~
3431 Street and Bingham Junction Boulevard; and]
3432 [[(ix) a \$2,250,000 grant to Taylorsville for improvements to 5313 South to lift station]
~~and~~
3433 and corresponding improvements between Bangerter Highway and 4015 West.]
3434 [(viii)] a \$30,000,000 grant to Bluffdale for construction of a multiple lane,
3435 grade-separated rail crossing at 1000 West and 14600 South.] ~~and~~

4135 $\hat{H} \rightarrow [\{ \text{enter personally identifiable information about the owner into a database controlled} \}]$
 $\leftarrow \hat{H}$
 4136 $\hat{H} \rightarrow [\{ \text{by the towing dispatch vendor} \}]$
 4137 $[\{ (14) \text{ If a towing dispatch vendor that receives from a towing entity, tow truck motor} \}$
 4137a $\text{carrier} \}] \leftarrow \hat{H}$
